Percussion365.com

Percussion365.com offers a host of Private Percussion Services, whether you are a beginner wanting to get started, an Intermediate level player wanting to develop further, or an advanced drum kit player wanting to expand your percussion knowledge. Maybe you want to make better use of studio time, you could be looking to get involved in theatre work, or you might be a very established player just wanting to make use of a percussion coach.

If any of these services are what you are looking for then contact

Percussion365.com

Services offered include

- Private percussion tuition
 - Private percussion coaching
 - One-off specific requirement sessions
 - Preparation for college auditions
 - Preparation for examinations
 - Short courses
 - Consultations

Other services are also available and you can see some of them at www.percussion365.com

If you would like to know more about how this service could benefit you, please contact me on: 0114 360 9199 or email: tuition@percussion365.com
